

PROGRAM AT A GLANCE | 日程概覽

Day One

Friday, 17/4, 1000 - 1800 | 星期五, 4月17日, 1000 - 1800

Hospital Tours - Major Hospitals in Macau SAR

醫院參觀 - 澳門特別行政區各主要醫院

Day Two

Saturday, 18/4, 1430 - 1810 | 星期六, 4月18日, 1430 - 1810

Scientific Symposium - Practical Obstetric Multi-Professional Training - Lecture Hall, Dr. Stanley Ho Medical Development Foundation, 9/F, ICBC Building, Landmark, Macau
學術論壇: 產科急救課程 - 置地廣場工銀中心九樓, 澳門何鴻燊博士醫療拓展基金會演講廳

Scientific Symposium: Practical Obstetric Multi-Professional Training 學術論壇: 產科急救課程
(Chairpersons: Dr. Petronilo BASA, Dr. Minerva CALIMAG & Dr. Vicente CHANTRE)

- 1430-1450 Tea Reception & Registration
- 1450-1500 Opening Speech 歡迎詞 - Dr. Manson FOK 霍文遜醫生
- 1500-1530 Common mistakes in shoulder dystocia - Dr. Wan-pang CHAN
- 1530-1600 Common mistakes in management of PPH - Dr. Wai-lam LAU
- 1600-1630 Common mistakes in Vaginal breech delivery - Prof. Terence LAO
- 1630-1645 Tea Break 茶會
- 1645-1715 Common mistakes in CTG interpretation - Prof. Tak-yeung LEUNG
- 1715-1745 Common mistakes in maternal resuscitation - Prof. Kim KHAW
- 1745-1800 Group Discussion
- 1800-1810 Closing Remarks 致謝詞 - Mr. Billy CHAN

Day Three

Sunday, 19/4, 0915 - 1315 | 星期日, 4月19日, 0915 - 1315

Hands-on Workshop: Maternal and Neonatal Resuscitation -

Faculty of Health Sciences, 1/F of Block E, Campus of MUST

產婦及新生嬰兒的復甦急救培訓班 - 澳門科技大學E座1樓健康科學學院

Hands-on Workshop: Maternal and Neonatal Resuscitation - 產婦及新生嬰兒的復甦急救培訓班
(Chairpersons: Dr. Malou MONTEVERDE & Mr. Billy CHAN)

- 0915-0930 Tea Reception & Registration
- 0930-0940 Introduction - Prof. Tak-yeung LEUNG
- 0940-1010 Station 1: Neonatal resuscitation - Dr. Man-ching YAM
- 1010-1040 Station 2: Maternal resuscitation - Prof. Kim KHAW
- 1040-1110 Tea Break 茶會

Day Three (cont'd)

- 1110-1140 Station 3: Shoulder dystocia - Dr. Wan-pang CHAN
- 1140-1210 Station 4: Vaginal breech delivery - Prof. Terence LAO
- 1210-1240 Station 5: PPH - Dr. Wai-lam LAU
- 1240-1315 Group Discussion & Awarding of Certificates

KEYNOTE SPEAKERS & CHAIRPERSONS | 學術委員

OVERSEAS FACULTY

Mr. Billy CHAN 陳比利醫生 | CHINA
Adjunct Lecturer, The 3rd Military Medical University, PRC
中華人民共和國重慶第三軍醫科學院的客座講師

OVERSEAS FACULTY

Dr. Wan-pang CHAN | HK
Consultant, Department of Obstetrics & Gynaecology, PMH, HK

OVERSEAS FACULTY

Prof. Kim KHAW | HK
Associate Professor,
Department of Anaesthesia, CUHK

OVERSEAS FACULTY

Prof. Terence LAO | HK
Professor, Department of Obstetrics & Gynaecology, CUHK

OVERSEAS FACULTY

Dr. Wai-lam LAU | HK
Consultant, Department of Obstetrics & Gynaecology, KWH, HK

OVERSEAS FACULTY

Prof. Tak-yeung LEUNG | HK
Chairman & Professor, Department of Obstetrics & Gynaecology, CUHK

OVERSEAS FACULTY

Dr. Man-ching YAM | HK
Consultant, Department of Paediatrics, PWH, HK

OVERSEAS FACULTY

Dr. Petronilo BASA | PHILIPPINES
Dean of Davao Medical School Foundation

OVERSEAS FACULTY

Dr. Minerva CALIMAG | PHILIPPINES
President of the Philippine Medical Association

OVERSEAS FACULTY

Dr. Malou MONTEVERDE | PHILIPPINES
Governor of the Philippine Medical Association and Past President of the Philippine OB-GYN Society, Southeastern Mindanao

OVERSEAS FACULTY

Dr. Vicente CHANTRE | PORTUGAL
Obstetrics & Gynaecology Specialist,
College of Obstetrics & Gynaecology, Portugal

LOCAL FACULTY

Dr. Manson FOK 霍文遜醫生 | MACAU
Dean, Faculty of Health Sciences, Macau University of Science and Technology
澳門科技大學健康科學學院院長

17th - 19th April 2015

Sino-Luso International Medical Forum (Series Twenty-Four)

Fórum Médico Internacional Sino-Luso (Vigésima Quarta Fase)

中葡國際醫學論壇(系列廿四)

Practical Obstetric Multi-Professional Training (PROMPT)

Múltipla Formação Profissional na Prática de Obstetrícia

產科急救課程

24

Academic Program chaired by
Macau University of Science and Technology
Faculty of Health Sciences

Event organized by
Macau Healthcare Management and Promotion Association

Press Release

Sino-Luso International Medical Forum (Series Twenty-Four)
Fórum Médico Internacional Sino-Luso (Vigésima Quarta Fase)
Practical Obstetric Multi-Professional Training (PROMPT)
Múltipla Formação Profissional na Prática de Obstetrícia

Macau's 24th Sino-Luso International Medical Forum will host PROMPT (Practical Obstetric Multi-Professional Training) lectures and workshops in Macau on 19th and 20th April, 2015

Professor Manson Fok, Sino-Luso's President, comments, "This is a wonderful opportunity to have such a high quality team of facilitators assist us in this process and ultimately to prevent harm and improve clinical outcomes. PROMPT is great training program that we are here to support and to implement in Macau. The benefits of the PROMPT model is to reduce harm to both mothers and babies"

The PROMPT program has been running successfully in the USA, UK, Australia, New Zealand and Hong Kong. It was developed in the UK by Obstetrician Professor Tim Draycott in 2008. This internationally renowned forum was presented in Macau at the 9th Sino-Luso forum in 2012 to much applause by our city's maternity providers.

This forum is unique and will help support Macau's OBGYN professionals (doctors, nurses, anesthetists and midwives) in a multidisciplinary manner. A group of six certified facilitators from Hong Kong will form this core training unit, including Professor TY Leung, Professor Terrence Lao and Associate Professor Kim Khwa from the Chinese University of Hong Kong. Three other experts in the OBGYN field include Dr. Chan Wan Pang, Dr. Lau Wai Lam, and Dr. Yam Man Ching.

They are working together to improve awareness and facilitate the distribution of obstetric emergencies training as widely as possible. All participating medical professionals will be trained in real life scenarios with some of the latest high fidelity birthing simulators in the field.

Along with Portuguese expert Dr. Vicente Chantre, an impressive line-up of world experts will be present to explore the conference themes and their international partnerships. We extend a warm welcome to the President of PMA, Dr. Minerva Calimag, and to the governess of PMA, Dr. Malou Monteverde, as well as to the Dean of Davao Medical School Foundation, Dr. Patronilo Basa to join us at what will again be an informative and clinically significant event.

Professor Manson Fok explains, "This will certainly continue our valuable project. We all know that with proper training of our local doctors and nurses reduce the possibilities of fewer tragic deaths to mothers. For instance, primary postpartum hemorrhaging and breech birth are causes of

maternal mortality and they are highly preventable through skilled care. We hope that we can contribute what we can in the important area of women's health in Macau”

These exciting scientific programs of the 24th Sino-Luso International Medical Forum event is chaired by the Faculty of Health Sciences, Macau University of Science and Technology and organized by the Macau Healthcare Management and Promotion Association (MHMPA). It is also supported by the National Health and Family Planning Commission of the People's Republic of China, The Gusi Peace Prize International as well as a list of outstanding healthcare organizations and Portuguese speaking associations here in Macau.

中葡醫學論壇（系列二十四）：產科急救課程

科技大學與澳門健康管理及促進學會舉辦中葡醫學論壇（系列二十四），主題為產科急救課程，邀請香港及葡萄牙等地的醫學專家，透過演練讓醫生及助產士應對孕婦分娩時的突發情況，吸引大批本地醫療人員參與，冀提高本澳產科醫療工作的專業技能。

香港中文大學婦產科學系主任梁德楊表示，孕婦分娩時可能會出現肩難產、臀位分娩或產後出血等少見的情況。孕婦通常在產前檢查時發現此情況，醫生會安排開刀手術，減低分娩時的風險。梁德楊認為，澳門沒有本地醫學院培訓醫生，加上本地人口少，所見的病例亦相對較少，希望本地醫生可以多與國際性的專家接觸，吸取更多經驗。

產科急救課程備受世界各地歡迎，原因是風險較高，構成醫療事故亦多。由於症出突然，若醫生護士未經過培訓會緊張或無所適從，書本知識未必能完全正確應用到臨床處理，冀透過講座和培訓提高醫護人員處理產科急症能力和技巧。
